## Self-Employed Tax Tips

- A) **Business Assets.** Special rules apply that allow the cost of certain business assets (for example, furniture and equipment) purchased and placed in service in 2025 to be fully deducted. See Tax Tip 18 and Tax Tip 19.
- B) **Business Use of Home Deduction.** If an area of the home is used regularly and exclusively for business, a deduction for a portion of mortgage interest, taxes, insurance, other operating costs, and depreciation may be allowed. Special rules apply for inventory storage and daycare. Ask for details.
- C) **Per Diem Meal Rates.** In lieu of using actual expenses incurred for meals and incidental expenses while travelling, self-employed individuals may deduct IRS-approved per diem amounts. The amounts depend on location. Provide detailed list of dates and locations of business travel.
- D) **Self-Employed Retirement Plans.** Many retirement plans (funded with pre-tax dollars) are available to self-employed business owners. The deadlines for establishing and contributing to a retirement plan vary. If you have employees, matching contributions may be required.
- E) **Small Employer Health Insurance Credit.** A credit is available to qualified small employers that pay health insurance premiums for employees. Premiums paid for the business owner and his family members don't qualify. Ask us for details.

**STEP 10**

**Vehicle Expense**

- Commuting between your home and regular work location is not deductible.
- Commuting expenses for going between your home and a temporary work location *outside* the metropolitan area where you live and normally work are deductible. Travel expenses between your home and a temporary work location *within* your metropolitan area are not deductible unless either of the following tests are met:
  - 1) You have one or more regular work locations away from your home or
  - 2) Your home is your principal place of business.
- There are two methods to determine the deduction for vehicles used for business: (1) actual expenses or (2) standard mileage rate (for 2025, 70¢ per mile).
- For each vehicle used for business, complete lines 1–6. If you know that you use standard mileage allowance, ignore lines 7–13. If you purchased a vehicle this year and *do not* use standard mileage allowance, provide a copy of the sales invoice.

**Note:** Taxpayers cannot claim car loan interest as a deduction on Schedule C, E, or F for the same interest deducted on Schedule 1-A for the new No Tax on Car Loan Interest deduction.
